REGULATIONS SKI SPRINT PRIMIERO ENERGIA

An International Nordic Ski Sprint Race

Description

The Primiero San Martino amateur sports association organises an international individual ski sprint race of nordic, free style skiing on a town circuit called "Ski Sprint Primiero Energia".

The race will take place in the historical centre of Fiera di Primiero, Trento in which there will be a snow ring of approximately 400 meters.

Organisation

The sport Union of Primiero San Martino with it's headquarters in Via Terrabugio 18, Fiera di Primiero (TN).

www.usprimiero.com info@usprimiero.com

Programme

Wednesday 26 December 2007 16.00 hours qualifications

18.30 hours final

Due to television coverage times of the race might be subject to change.

Inscription

The inscriptions must reach the organising committee before 18.00 hours, 22 December 2007, via email info@usprimiero.com or by fax 0439 765098

Participation

Male athletes may participate only if they are regularly subscribed to their own federation, that is subsequently affiliated to the F.I.S.

Course of events

The race will take place on a ring of approximately 400 meters to be completed 3 times, both in the qualifications and in the finals. The type of race is a Free Style Individual Sprint with qualifications according to F.I.S. regulations and the final stage with 16 athletes.

The track has no F.I.S. homologation.
